SECTION 1 — Alumni Association: Overview & NBA Relevance

1.1 Introduction

The Alumni Association of Government Polytechnic, Rajampeta (GPTRAJ-AA) is a structured, outcome-driven body that bridges the institution's academic environment with the professional world. Established in 2011 alongside the first graduating batch and formally constituted during 2023-24, the Association now represents 1,891+ diploma engineers across 16 batches (2008–2023) from two flagship programmes — Diploma in Civil Engineering (DCE) and Diploma in Mechanical Engineering (DME).

The year 2025-26 marks a significant milestone as the Association celebrates its 15th year of existence with increased alumni engagement, expanded industry partnerships, enhanced digital infrastructure, and a stronger CQI framework directly benefiting student outcomes across both programmes.

1.2 Vision & Mission

Vision	Mission
To build a vibrant, inclusive alumni network that serves as a living bridge between academic learning and professional excellence, empowering current students and continuously improving institutional quality.	To engage alumni in mentoring, infrastructure development, curriculum feedback, placement support, student welfare, and entrepreneurship promotion; maintaining a live database and recognizing outstanding alumni contributions annually.

1.3 NBA Relevance — Alumni as Key Stakeholders

Alumni Engagement	Curriculum Input	PO/PSO Mapping	CQI Improvement	NBA Criterion
Guest lectures, feedback, mentoring	Feedback on relevance & industry needs	Activities linked to outcomes	Action taken, documented evidence	Criteria 3, 5, 8 coverage

1.4 NBA Criteria Covered

NBA Criterion	Area	Alumni Contribution
Criterion 3	Programme Outcomes (POs)	Alumni feedback on graduate attributes, career relevance
Criterion 4	Curriculum	Industry-aligned curriculum suggestions, lab equipment donations
Criterion 5	Student Support & Progression	Placement drives, internships, career guidance, scholarships
Criterion 6	Faculty Contributions	Joint projects, invited lectures, collaborative training
Criterion 8	Governance & Institutional Support	Alumni-funded infrastructure, governance participation

SECTION 2 — Constitution, Formation & Governance

9.2 NBA Criteria vs. Alumni Contribution Matrix

NBA Criterion	Key Parameter	Alumni Contribution	Evidence
Criterion 1	Vision & Mission	Alumni embody mission — industry success stories	Alumni profiles, success stories

Criterion 3	Programme Outcomes	Feedback → ATR → PO attainment improvement	ATR, BoS minutes, feedback forms
Criterion 4	Curriculum	Industry-relevant syllabus suggestions implemented	BoS minutes, curriculum records
Criterion 5	Student Support	Placements, internships, scholarships, career guidance	Placement data, offer letters, receipts
Criterion 6	Faculty	Alumni-faculty joint sessions and knowledge sharing	Joint session reports, photos
Criterion 8	Governance	Infrastructure donations, governance participation	Donation register, meeting minutes

SECTION 10 — Best Practices & Alumni Success Stories

10.1 Success Stories

From Diploma to Contractor — A Civil Success Story A DCE batch 2012-15 alumnus started as a site supervisor and established his own civil contracting firm within 7 years. He employs 5+ GPT Rajampeta juniors, conducts placement drives, and donated Rs. 30,000 for playground development in 2023. In 2025, he funded a smart board installation for the seminar hall.	GATE Qualifier & NIT Post-Graduate A DME batch 2015-18 alumnus cleared GATE and secured M.Tech at NIT Warangal. He conducts 6 free GATE coaching sessions/week for current students and donates GATE preparation books annually. In 2025, he partnered with the institute for a placement drive at NIT's incubation centre.
Government AEE — AP Infrastructure A DCE batch 2013-16 alumnus cleared APPSC AEE (Civil) and is now an Assistant Executive Engineer with AP R&B Department. He provides government job guidance, donated IS Code handbooks, and gave a landmark guest lecture on Smart Cities in 2024.	Entrepreneur — Precision Engineering Success A DME batch 2011-14 alumnus established a precision components unit in Bangalore with annual turnover of Rs. 50L+. He provides internship opportunities to 4-6 DME students yearly and in 2025 established a permanent CNC access MoU with the institute.
Women Pioneer — Civil Engineering Leadership A DCE batch 2016-19 alumna (one of the first women to graduate from DCE at GPT Rajampeta) is now a Project Engineer at a prestigious infrastructure firm in Hyderabad. She mentors girl students, delivered the 2025 Women's Day keynote, and sponsors the Women Welfare Wing's annual activity budget.	Tech Startup Founder — Rajampeta to Startup India A DME batch 2017-20 alumnus founded a tech-enabled mechanical service startup, listed under Startup India 2024.
